

# VEST SIZING

## OUR NEW VEST SIZING

Let's be honest: you don't want to save on safety. This year we introduce improved vest sizing for optimal comfort, performance and safety. Due to reduced differences between sizes we've more sizes in our ranges and a perfect fitting for every body type. Innovations that will contribute to your safety, without compromising on comfort. Vests with the new sizing now have a unique Jobe certificate. Have a carefree ride.

## HOW TO MEASURE

### 1. CHEST

Place the tape close under the arms. Measure the chest at the widest part.

### 2. WAIST

Measure around the natural waistline.

### 3. HEIGHT

Measure from your head until your feet.
